# Could 3D Printing (Additive Manufacturing) be useful for your business?

HVM Catapult in partnership with the KTN are hosting four AM awareness breakfast-events targeting potential AM adopters across the whole AM supply chain. The awareness events will cover the potential benefits of Additive Manufacturing and look to address the current barriers within its uptake. Details of the awareness event dates and agenda can be found below.

Awareness breakfast-event locations and dates:

**Tuesday 6th November** at the **Advanced Forming Research Centre, Renfrew**

**Tuesday 13th November** at the **Northern Ireland Technology Centre, Belfast**

**Tuesday 20th November** at the **National Composites Centre, Bristol**

**Friday 14th December** at the **Advanced Manufacturing Research Centre, Sheffield**
