

AMRC Factory 2050 and Royce Translational Centre

The University
Of
Sheffield.

AMRC
Advanced Manufacturing
Research Centre

How to find us

The University of Sheffield Advanced Manufacturing Research Centre Factory 2050 and the Royce Translational Centre are located on Sheffield Business Park just off junction 33 of the M1, and clearly signed from the A630 Sheffield Parkway.

The entrance to Factory 2050 is beside the Sheffield Business Centre (former airport terminal building).

Satnav for the AMRC Factory 2050 and the RTC: S9 1ZA

The roads highlighted in blue on the map show the route from the A630 to AMRC Factory 2050, the RTC and the AMRC's Advanced Manufacturing Park site.
